

After traveling through Sri Lanka with lots of fantastic impressions and experiences, we really enjoyed the very relaxing and lovely atmosphere of Villa Nilaya. The villa was not less than a dream with its view on the beach and the ocean, and a perfect end of our trip to spend. Prabath and his team looked after us so well that we rather felt as part of a family than being guests. The tasty food Prabath prepared for us was superb and the time, support and spectacular service of the team made our stay unforgettable. It let us feel very comfortable and at home among friends - we loved it!
