

5<sup>th</sup> April 2016

This villa was heaven! We stayed with friends and four young children and LOVED it!! The kids had an amazing time in the pool and playing on the beach. We had an amazing time watching the beach.. what a view!

The staff were lovely. Prabath's cooking was incredible - especially the banana pancakes. They couldn't do enough for us. Best stay ever. We can't wait to come back.
